

# FUNDRAISING TARGETS

## STORMWATER GREEN INFRASTRUCTURE

Asphalt removal, bioswales, trees, porous pavement, etc. for stormwater management

**\$1,100,500**

## SCHOOL GARDENS & HEALTHY FOOD ACCESS

Raised garden beds, planting establishments

**\$7,500**

## RECREATIONAL IMPROVEMENTS

Gaga ball pit, limited asphalt repair, play structure installation

**\$110,000**

## OUTDOOR EDUCATIONAL ELEMENTS

Arts programming, musical and tactile elements, outdoor classroom features

**\$145,000**

## OTHER SITE IMPROVEMENTS

Bike parking equipment, schoolyard benches, pathways, fencing

**\$112,500**

**TOTAL GOAL: \$1,475,500**

(includes \$90,500 in-kind est.)

We are actively pursuing funding for the schoolyard redevelopment, all levels of support are greatly appreciated.

Fundraising through 2024  
Construction in 2025

## NATURE PLAY ELEMENTS

Samuel Clemens School would like to incorporate natural playscape elements that nurture childhood creativity, foster wonder and imagination, and inspire healthy risk-taking.

## ADDITIONAL GREEN SPACE & RECREATIONAL IMPROVEMENTS

Reducing the amount of asphalt on the school grounds is a central component of the redevelopment plan. Along with new green space, earthen mounds, and tree plantings, Samuel Clemens would like to add a synthetic turf soccer field, colorful pavement markings, and gaga ball pits to support physical activity, team building, and cooperative play.

## STORMWATER GREEN INFRASTRUCTURE

Green infrastructure including bioswales, native plantings, and a synthetic turf field with an underground cistern beneath it, will help to better manage stormwater on the school grounds, where it falls, improving the aesthetics, biodiversity, recreational facilities, and the health of local watersheds.

## MULTIPLE ARTS OPPORTUNITIES

There are many opportunities to include artistic elements throughout the schoolyard including art posts, murals, and educational signage to support the redevelopment project. The outdoor classrooms will also provide a setting for the performing arts.

## OUTDOOR CLASSROOMS & INCLUSIVE LEARNING

To help facilitate ecoliteracy and all of the sensory exploration that comes with outdoor learning, Samuel Clemens School would like to enhance their current outdoor learning spaces with natural seating options and envisions sensory panels and communications boards to further promote an inclusive environment for all learners.
